2024 Shipping Schedule

We care about your patients.

We recommend that Oncoguard Liver test specimens are collected Monday-Thursday only.

The laboratory does not accept shipments over the weekend or holidays. If a specimen is collected Friday, Saturday, Sunday or observed holidays, it must be stored at room temperature and shipped per the shipping1 schedule, to arrive at the laboratory on the next business day.

The following shipping schedule reflects the laboratory & FedEx* pickup and delivery schedule. Please only ship on highlighted dates to ensure the stability of your patient's samples.
